### New “Public Transportation Directions” Link

HITE listings now include a brand-new directions feature. The new [Hopstop it!](#) link offers instantly customized directions to local agencies that you can share with clients and colleagues, or to meet your own needs. To get door-to-door public transit directions, simply follow these directions:

- Click on the [Hopstop it!](#) link at the top of the Resource Details page,
- Enter a starting address and travel preferences (the agency’s address is already filled in), and
- Instantly receive detailed train, bus, or walking directions without leaving HITE!

Questions, comments, or suggestions? [Let us know what you think](#). This new feature in HITE is powered by HopStop. For more information on HopStop, visit [www.hopstop.com](http://www.hopstop.com).

### Keep Others in the Loop

Keeping HITE staff updated on services, phone numbers, and other important details will help provide fellow health and social service professionals with even more accurate and time-saving information for clients in need. HITE staff can be reached at [hite@gnyha.org](mailto:hite@gnyha.org) with any changes or suggestions.
